Bank Guaranty

Bank guaranty No.: ……

The Company (BRP) ……
……
……
……

is in constant business relation with Amprion GmbH
Robert-Schuman-Straße 7
44263 Dortmund
Germany

for the management of trading transactions and/or supply of end customers with electricity based on the balancing group contract concluded between Amprion GmbH and [*name BRP*].

We, [*name/address Guarantor*] hereby assume an absolute guaranty limited in time vis-à-vis Amprion GmbH for all existing and future claims, to which Amprion GmbH is entitled against [*name BRP*] from or in connection with the balancing group contract up to a maximum of

(say:……..**)**

including cost and interest.

We waive the defences of voidability and the defence of failure to pursue remedies according to the German Civil Code (BGB, Section 770 Para. 1 and Section 771, “Einreden der Anfechtbarkeit und der Vorausklage”). We also waive the defences of set-off according to the German Civil Code (BGB, Section 770 Para. 2, “Einrede der Aufrechenbarkeit”). However, the defence of set-off shall be admissible if the counterclaim is undisputed or final and absolute under a Court judgement.

Recourse may only be taken against us for the payment of money.

Our obligation from this Guaranty shall cease upon return of this Guaranty to us. Amprion GmbH shall return this Guaranty at latest when Amprion GmbH no longer maintains a business relation with [*name BRP*] and after all contractual obligations from the existing business relation have been fulfilled. At the latest, our obligation from this Guarantee shall expire on *dd.mm.jjjj*.

This guaranty shall be subject to German law. The place of jurisdiction shall be Dortmund, Germany.
